

## COUNTY COUNCIL OF ANNE ARUNDEL COUNTY

G. JAMES BENOIT, JR.  
Fourth District

February 22, 2010

The Honorable Norman H. Conway  
House Office Building  
Room 121  
6 Bladen Street  
Annapolis, Maryland 21401

Re: Letter in Support of HB 0881

Delegate Conway:

I write today to join county and municipal elected officials throughout Maryland and signify my strong support HB0881. This important legislation would provide organizing and collective bargaining rights to Maryland's library workers who are currently unrepresented in local County budget deliberations left instead to the whim of the library boards of trustees throughout the State of Maryland.

A thriving library system depends on a library workforce whose job security and rights are protected. With library use at an all-time high, now is the time to give library employees the same rights as police officers, maintenance workers and other government employees.

Accordingly, I urge you and the other members of the Senate to pass HB0881.

Warm Regards,

Jamie Benoit

Re: Letter in Support of SB 225

Senator Middleton:

I write today to join county and municipal elected officials throughout Maryland and signify my strong support SB225. This important legislation would provide organizing and collective bargaining rights to Maryland's library workers who are currently unrepresented in local County budget deliberations left instead to the whim of the library boards of trustees throughout the State of Maryland.

A thriving library system depends on a library workforce whose job security and rights are protected. With library use at an all-time high, now is the time to give library employees the same rights as police officers, maintenance workers and other government employees.

Accordingly, I urge you and the other members of the Senate to pass SB225.
